PRESIDENT'S MESSAGE

Dearest Gladney Cousins,

Gene and I send you greetings from Charleston, SC, the place for our 2006 Reunion on July 28, 29, and 30, 2006.

The address for visiting the hotel web site is www.francismarioncharleston.com. At this site, you can view the hotel and see where we will be staying for the last reunion that I will be hosting as President of the Gladney Family Association.

At the Winnsboro Reunion, I announced that this was the perfect spot to turn over the business of the family to someone else. With the approaching ages of 77 and 75, Gene and I feel the time has come to pull in the reigns and relax both during the reunion(s) and year(s) leading up to reunions.

The following statement was given to the attending membership at Winnsboro and I send it to each of you with much, much Gladney love.

STATEMENT BY PRESIDENT BETTYE BOND

"I wish all of you to know how I love each member of this Gladney Family and thank you for placing your trust in me for these 10 years as both your Vice President (1995-97) and beginning 1997 as your President. I feel that the time has come to pass the gavel—so to speak—to a younger mind and stronger stamina. The 2006 reunion in Charleston will be the time for that and will make 11 years of officer service for the family. Larry Ivens has served as the Vice President since 1997, when I became President. I am sure you will place as much trust in and support for Larry as you have given me. We must continue to work to attracting young Gladneys to become involved with the Family Association.

Everyone is very busy but so were our ancestors and life was much more difficult then than now. So I ask each of you to step up and make it your job to find and nurture younger Gladney cousins wherever you are. Please be aware of the needs of our older Glad-

neys, they need visits, phone calls, letter, and offers to transport them to our reunions. It is our time to step up and assist those who have spent hours in the past keeping this treasured family association active. Be an active part of this family with other Gladney cousins work with us, grow old with us and always remember those who have departed our membership. Especially this coming year—before the Charleston reunion—find a new Gladney. What a treat for new Gladneys to be in either Winnsboro or Charleston for the first time. I remember how I felt my first time in Winnsboro, the chills of walking in the cemetery for the first time—looking at those revered stones—walking on their land where they worked, loved, laughed, cried, and died. It is up to each of us to make this happen for others. Our family association will not continue if we all are not actively involved, contact new and inactive Gladneys, and support this association financially.

Some of us have just been along for the ride and enjoyed the work of others. Now, I challenge each of you to step up and honor our ancestors by being more active, paying dues, and donating to the upkeep of the most holy place to all Gladneys, “the Old Gladney Cemetery”.

As always—My Gladney Love to Each of you,
Bettye

“For those cousins who could not/did not attend the Winnsboro reunion, after the evening banquet on Saturday, Gene and I led a group for a candlelight visit to see the beautiful straight, white headstones of our ancestors in the old cemetery. The stones seemed to glow in the candlelight. If you have a chance, do visit before they become dirty again, as Mr. Jerry Snelgrove completed the cleaning about a month ago. The most wonderful time to visit is in the fall when the leaves are turning. Dr. Dru Gladney, from Hawaii, accompanied Gene and I during this time and was so impressed—so see it for yourself. You won't regret the fall visit.”

CATHY'S CORNER

I have only been a member of the Gladney Family Association for a short five years. Bettye Bond was my first contact with the association. We talked via email and posted messages on the internet for many weeks prior to my first reunion. Bettye has been the only President that I have known. I will miss her in this role but look forward

to seeing Bettye and Gene in reunion attendance each year. I also look forward to getting to know Larry Ivens as our new President. We all need to take the reigns, take responsibility, and make this an easy transition for both Bettye and for Larry. I wish them both the best of luck in their new roles.

7. William McMasters asked for a discussion concerning the reason for meeting the last weekend in July. The heat is so devastating that a fall date would be more bearable. President Bond stated that she would much prefer the second weekend in October. Virginia Ivens stated "You will loose your Vice President if you do". Larry Ivens stated that one person should not dictate a decision. Charlayne Lamb stated the need to consider football games. It was further discussed that we do have active teachers attending and the need for new Gladneys with children to be considered. William McMasters stated that these two were valid reasons and asked President Bond to resend his proposal with no further discussion. Therefore no vote was taken.
8. President Bond then asked Gene Bond and C. Wallace Gladney, both Military Cross of Honor recipients, to escort Tim Johnson to the front.. Tim served in the Air Force during the Vietnam Conflict and the United Daughters of the Confederacy was honored to present him with a Defense Medal.:

"The United Daughters of the Confederacy has established a National Defense Medal, with Certificate, as a testimonial to the Patriotic devotion of certain Confederate veterans and their descendants who served in the Armed Forces during the Korean or Vietnam Conflicts, but not on land or in airspace or waters contiguous thereto. HISTORY:

Opened in 1924, financed by local investors, at the cost of \$1.5 million. It was the largest and grandest in the Carolinas. Named for General Francis Marion "the Swamp Fox", has had a long tradition of gracious service, elegant accommodations and splendid banquet facilities. During the 1920's with the Golden Age of railroads, radio and grand hotels, the Charleston Renaissance was in full bloom and the Francis Marion was the "place to be". Rising 12 stories above the historic district, next to the College of Charleston, across from Historic Marion Square, with 227 guestrooms and suites, it offers views of Charleston's church steeples, antebellum mansions and the harbor. The Hotel has been restored through a \$12 million National Trust for Historic Preservation.

The Hotel and rooms were inspected by Gene and Bettye in March 2005 and they were found to be very nice. The prices offered to us are group rates and reasonable for downtown Charleston.

Smaller Inns had limited rooms and no meeting/eating areas. Most hotels would not "barter" with us. It was the thought of Gladney, Janice, Gene, Wally and I that we are in Charleston to be in Charleston, not out away from the Historic District. Gene and Bettye went to Charleston on Monday right after the Winnsboro reunion. They checked with the Francis Marion Hotel and signed the contract for the July 28-30, 2006 reunion.
