2004 Reunion Recap

Our Baton Rouge 2004 reunion was a very delightful get together, we had very few cousins in attendance, as many were concerned about the weather, and it

did rain on us, but you missed a fun time. C. Wallace and Blanche were gracious hosts as before and the food was out of this world.

Gene and I were there early and that is the way to go cause we got to visit good food places with Wally and Blanche. They know almost as many good places to eat as Cecil.

2006 REUNION NEWS

Our 2006 Reunion will be in Charleston, SC. BACK TO OUR FIRST STEPS IN THE U.S. So plan to make that journey the last weekend in July '06. BRING ALL THE KIDS.

After approval at Winnsboro reunion, we will post the information on this reunion. If anyone would like to arrive early, Gene and Bettye will be in Charleston starting Wednesday before Friday registration and we can take some local trips. Just contact Bettye by 1 July '06 so that can be arranged. (retteacher@aol.com) cell (717)877 1351.

We have no plans for 2007 yet so someone needs to step up and volunteer to be the host. We need your participation to help keep our family association active. We must all continue to work attracting young Gladney's to become involved with this Family Association. Everyone is very busy, but so were our ancestors and life was much more difficult then than now. So I ask each of you to step up and make it your job to find and nurture younger Gladney cousins where ever you are.

Especially this coming year – by the Winnsboro reunion and before the Charleston reunion – find someone new. What a treat for new Gladneys to be in either Winnsboro or Charleston for the first time. I remember how I felt my first time in Winnsboro, the chills of walking in the cemetery for the first time - looking at those revered stones. It is up to each of us to make this happen for others. Our family association cannot continue to grow if we all do not contact new and inactive Gladneys .
